Together, we can make a difference.

CORPORATE PARTNERSHIP PACK

Supporting children and families affected by Neuroblastoma across the UK.

When a child is diagnosed with Neuroblastoma, everyday life can change overnight. Your business can help families find practical support, reassurance and a little breathing space during an incredibly difficult time.

A partnership with purpose. A difference families can feel.

Let’s explore what your business and Mitchell’s Miracles can achieve together.

OUR PURPOSE

Why your support matters

Mitchell’s Miracles was founded in memory of Mitchell Huth. Today, his legacy continues through support for families facing the emotional and financial challenges of childhood Neuroblastoma.

Financial care grants

Help towards essential costs such as hospital travel, accommodation, food, household bills and pressures caused by loss of income.

Emotional support

A listening ear, practical guidance and help navigating difficult circumstances during treatment and bereavement.

Practical comfort

Useful items including Hickman line bags and immunotherapy backpacks, helping make treatment days a little easier.

Awareness

Helping more people recognise Neuroblastoma and understand the challenges faced by children and their families.

Our support is guided by families’ needs and the funding available. Every contribution helps us continue this work.

How we can support your fundraising

We can discuss fundraising ideas, share information about our work, provide guidance for your activities and recognise your support in ways that are suitable for both organisations.

We welcome the chance to build an ongoing relationship, whether through staff fundraising, sponsorship, gifts in kind or a one-off donation.
